**To:** Board of Selectmen  
**Subject:** Advance notice re part of tonight's Pre-Meeting Meeting

Hi Folks - please no one reply to this message.

I just want to give you some advance notice so you can think about one item of business I wish to take up this evening before the STM that does not relate to it.

Peter Ashton, who as you know just retired from the Board after 9 years of outstanding service, has asked to be appointed to the Screening Committee in re the new Manager Search, and has further offered to Chair that Committee! There have already been a number of candidates seeking to be appointed to the Steering Committee, and it should be able to form up and get underway shortly if a Chairman is designated. I will ask the Board tonight to appoint Peter Ashton as the Screening Committee Chair.

One news item: There will be at least one inside candidate for the Interim Manager's position who is not going to apply for the permanent position.

Regards,  
Dore' Hunter  
Chairman of the Board of Selectman & VSO, Town of Acton, MA
